

The Insider Express

A monthly e-newsletter of the HAM-TMC Library

Vol. 8 (2) 2010

Topics: Library Holiday Hours; Mobile Access to Dynamed; PubMed Changes; Scitable; Free Access to the Electronic Book - "The Infectious Diseases of Haiti"; February- March 2010 Library Classes

Library Holiday Hours

The HAM-TMC Library will be open from 8:00 a.m. – 5:00 p.m. on Monday February 15, in observance of Presidents' Day. Reference Services will not be available on that day.

Regular hours resume on Tuesday February 16.

Mobile Access to Dynamed

To access *Dynamed* using a PDA and SmartPhone devices follow these steps:

In order to install *DynaMed* onto your iPhone or iPod touch, **you need to obtain a *Dynamed* serial number from the HAM-TMC Library. Contact the Circulation department at 713.799.7147.**

The following mobile devices are supported:

Palm OS 3.5 and higher
PocketPC

Windows Smartphone
BlackBerry
iPhone and iPod touch

Detailed information on how to download *Dynamed* and technical support can be found at:

<http://www.ebscohost.com/dynamed/technical.php>

PubMed Changes

The National Library of Medicine has announced the following changes to PubMed:

- Limits in PubMed are no longer available in the Advanced Search, there is a link from the PubMed home page to a Limits page
- The Limit Activated message on the results page is prominently displayed
- Advanced Search has a Search Builder section
- Larger number of citations can now be sent via e-mail
- New features added to My NCBI

For more information please go to the NLM Technical Bulletin at:

http://www.nlm.nih.gov/pubs/techbull/jf10/jf10_pm_advanced_search.html

My NCBI: http://www.nlm.nih.gov/pubs/techbull/jf10/jf10_myncbi_redesign.html

Scitable

Nature Education has just released a free online library for faculty and students called *Scitable*. Focusing on the study of genetics, *Scitable* offers free full text of peer-reviewed articles, topic discussion forums, and much more. Faculty can set up research spaces for students that offer RSS feeds, reading lists and other research tools. Click on the following links to learn more: “If you haven’t [registered](#) for *Scitable*, please take a look at our growing library of scientist-authored, peer-reviewed analyses and overviews of genetics concepts. Most link out to seminal research papers from *Nature* and other scientific journals, exposing learners to research literature early in their engagement with genetics. [Browse](#) our topics listing, or search our comprehensive [index](#) of articles.”

More information on *SciTopics* is available at: <http://www.scitopics.com/about.jsp>

Free Access to the Electronic Book – “The Infectious Diseases of Haiti”

The HAM-TMC Library is pleased to offer free online access to *The Infectious Diseases of Haiti*. Published by the Global Infectious Diseases and Epidemiology Online Network (GIDEON), this e-book is made freely available to libraries in response to the humanitarian disaster in Haiti.

For more information on GIDEON, you may visit their website at: <http://www.gideononline.com/>.
